LEDJ Pixel Storm 12 Quad Batten MKII	The Pixel Storm 12 MKII is an individually pixel mappable batten featuring 12 x 15W quad-colour LEDs A portable battery powered uplighter outputting ultra-smooth colours from rich saturated hues to subtle pastel shades. The temporary outdoor rated compact and robust housing repels water, snow and dirt for all-weather applications and is easily concealable. The internal lithium battery has autonomy of up to 18 hours in single colour mode and up to 8 hours of colour fading and chases, while the charging time is only 5 hours. The fixture is IP54 rated (IP65 from the top), has a powerCON TRUE1 input and features an extractable foot that allows users to adjust the tilt angle. The on-board wireless transceiver and W-DMX compatibility make for a truly cable free operation.	£ 18.00	£ 27.00
LEDJ Rapid Q81 IP RGBA	Amhaze Eco is a professional water-based haze machine that delivers high output while utilizing economic fluid consumption. With a rapid 30-second heat up time, and continuous output that doesn't require any reheating, you can quickly get the maximum output of 120 cfm with a single fluid container lasting you over 8 hours. Easily control the output and fan speed via DMX or on the onboard control knobs. Amhaze Eco comes ready to rest on the floor and is also equipped with M12 threaded inserts for truss clamps, an easy way to mount the 25lb machine. Amhaze Eco	£ 15.00	£ 22.50
Chauvet Professional Amhaze ECO Haze M	combines high output with efficient operation for a complete atmosphere solution for medium to large venues.	£ 30.00	£ 45.00
Stage Haze Light Fluid	Fair use £5 a day or £7.5 a week This 1 channel convection cooled dimmer comes with an external remote HTP fader. These dimmers are perfect for using with standalone fixtures in small studios, for follow spots or for incorporating into and expanding DMX systems. Suitable for use with incandescent loads when used as a switch pack. W-DMX on board to receive wireless DMX, this unit can then relay the wireless signal via the XLR output.	£ 5.00	£ 7.50
Transcension UP2 Pro Dimmer	The Astra 12 Quad Par has 12 x 8W quad-colour LEDs punching out astonishing levels of colour, ideal for general stage washing and illumination. This fixture offers superior performance in a robust, yet lightweight housing, and features a simple to operate 4 push button menu that allows users to select several operation modes.	£ 10.00	£ 15.00
LEDJ Astra 12 Quad Par Can	Avolites Mobile Controller, with Laptop	£ 10.00	£ 15.00
Avolites Mobile Package	Infinity® 'Chimp' Moving Light Controllers: the ultimate in user-friendly design. Regardless of the application - touring, rental, theatre, multipurpose venue, education, or house of worship - a Chimp Light Controller provides you with all necessary tools.	£ 75.00	£ 112.50
Infinity Chimp 100 Tour Pack	4 Channel LED Controller	£ 10.00	£ 15.00
LEDJ EasiLED 4 DMX Controller
